Participate in over **32 education sessions** in these four focus areas:

- Security
- Infrastructure and hardware
- Mobility, networking and wireless
- Software and applications

CAMPING at ITEC – A completely new conference experience. Choose from three Camp topics- Customer Camps, Collaboration Camps or New Marketing Media Camps, and find out the latest developments in each area.

Organized networking opportunities with your colleagues. ITEC offers a free lunch each day in an atmosphere that's conducive to meeting with your peers informally.

In-depth vendor information that lets you ask tough questions and get detailed answers that will help you save money, mitigate risk and extend your IT budget
